6. **PERSONS ADDRESSING COUNCIL:**

**Stan Ransom** 35 Iowa Circle said this is my last hour as Director of the fine Public Library in Plattsburgh. And I wanted to say thank you Mayor and Council for the support you've given to me and the Board for making this library a superior library. It has been my pleasure to be the director and I appreciated the support, particularly Tim who has helped the Board and me with many of the problems. And I also thank the Council for giving us the money to continue our work this year we've been very parsimonious and we're continuing to do so. I also want to thank the department heads who've been so helpful; Mike Brodi has been a wonderful person to help us, of course Richard Marks what would we do without him who is by law the Treasurer of the Library, and we also have appreciated Kevin Farrington who has consulted with me many times on asbestos, and mold, and what to do about this and that problem. The building is in pretty good shape right now one more thing needs to be done. Steve Peters even sent his staff over to fix the front steps when we couldn't find any other way to do it. So I wanted to say thanks for the support and I wanted you to know this is a great library. It's been as busy as any library could be we have over 22,000 registered borrowers that's more than the population of the city. But of course we serve people outside as well. Not only have we been very busy but every single week on the average 2,600 people come in and out of the public library. 2600 people per week all year round. This is a busy place and one of the things we have going for us is the new computer center. There is a new thing that they offering called the universal class with your own public library card you can go on line and take up to 500 courses. It takes about 6 weeks to do one; selling antiques, doing accounting, any kind of thing you can think of and it's free. They've already helped over 5,000 people with job applications and other kinds of activities. So it's one of the best assets we have now particularly in this type of recession when people need help finding jobs. So I wanted to say thank you again. I've enjoyed it. It was a great thing and I'm still going to keep working for the City of Plattsburgh one way or another.

**Mayor Kasprzak** said I just want to thank you for all your service. We both have had challenges we've worked through them we persevered together. I want to thank you very much for all that you've done for the library. You've always promoted it and you've brought grant money in. You've done so many things that's not been really mentioned. And I want to just thank you personally and give you a round of applause.

**Superintendent of Recreation Steve Peters** read, discussed and submitted City Beach Regulations to clarify what the City of Plattsburgh is, and is not, allowed to do with that facility.

**Mayor Kasprzak** said I worked for NYS Parks for 6 years of my life. There is absolutely no way that we

control the weather. And the fact that students and summer help doesn't get out of school until a certain time frame and lifeguards don't get out of school until a certain time. So it's easy to say when you have an early nice spring or an Indian summer that all municipalities, state parks are supposed to stay open when we don't have the appropriate people to do so is irresponsible. It's not safe and it won't be done with this group here. So it's easy to say you should be open because it's nice. I would love to have that option but we don't have that and Steve your point is well taken.

\*\*\*\*\*

**7. OTHER ITEMS:**

**A. RESOLVED:** In accordance with the request therefore the Common Council approves Superintendent of Recreation Steve Peters, Stephanie Desautels, Jen Boyer and the City of Plattsburgh to host the Plattsburgh Half Marathon on Sunday April 21, 2013 at 8 am.
